CAREER TIMELINE

Head of Digital Channel Operation

TTB Sparks, 2023 to Present

Managed the daily operations of the TTB Touch app, serving 5 million active customers. Ensured a smooth and seamless digital customer experience by actively monitoring incidents, defects, complaints, and feedback from all touchpoints. Implemented a closed feedback loop by collaborating with the development team to resolve issues promptly.

Conducted fraud monitoring and active prevention using real-time data analysis, incorporating findings into business rules to enhance security.

Senior Regional Director, East

Liberty Mutual Insurance, 2020 to 2023

Working across the entire region to support our Digital Transformation, and provide support as a Senior Product Owner on key strategic initiatives.

Partner with business leaders and IT teams to define transformation roadmap, and develop a community of Product Owners in the region to own product visions - shifting outputs to outcomes

VP - Digital Product Owner

Krungsri Bank (Auto), 2018 to 2020

Worked with senior management team to undergo organization transformation

Discovered key market opportunities and customer needs then define features and roadmap and implementation via several agile products in a multi-squads environment

Senior Consultant / Experience Designer

Thoughtworks, 2016 to 2018

Helped clients in large scale enterprise undergo Agile transformation. Focused on product discovery and software delivery using Agile practices, User centric design and Lean.

Our team utilized strategy, portfolio management and product design, combined with digital engineering excellence. We developed products that their customers love.

Head of Mobile

Kaidee, 2013 to 2016

Built and managed a team of developers on iOS, Android, and React front-end to support over 1.2 billion page view per month.

Worked closely with stakeholders from ideas and execute them using Agile methodology and User-centered Design.

ACADEMIC BACKGROUND

Mahidol University International College

Computer Science, 2008

Christ Church Grammar School

7 years in Western Australia (High School)
